**Ahh ... now for that FINE PRINT ... that you actually do need to read 😊. Please check each box as you read through our Camp Policy:**

- Art Camp activities will include painting, working with glass, glass fusing tools and possibly other sharp objects. We will give guidance and supervision with each activity, but we will not be responsible for accidents that happen during Camp.
- In order for Camp to be enjoyable for ALL campers, appropriate behavior and participation is expected. In the event that your child becomes disruptive or uncooperative, we will contact you and your child will be excused for the day. No refund will be given for that session.
- Payment in full is expected at the time of registration. We accept checks, cash and debit/credit cards.
- We will do our best to complete every project scheduled. Projects are subject to change depending on supply availability and the time it takes for students to complete each project within the time frame. If your child does not finish during the scheduled time, he/she can return during regular business hours to complete the project.
- Please be prompt in dropping off and picking up your child so that we can stay on schedule. If you are going to be late in picking up your child, please notify us at 908-200-7809. Your child could get messy. Please be sure that he/she is dressed accordingly. All camps run 9am - Noon
- There are no refunds for no shows, however a studio credit to be used within 30 days of camp date will be applied. 100% refund given if we must cancel camp due to lack of participation to meet our 4 camper minimum. You will be notified at least 24 hours in advance.
- Pottery and Glass Fused projects will take about 7-10 days for the firing process. WE WILL CONTACT YOU when the projects are ready for pick up. Clay will take longer due to drying time.
- Only registered students may participate in Camp. This is meant to be a fun & educational experience for your child and other campers! 😊
- We encourage parents/guardians to use this time as a break for both adult and child. Due to limited space in our studio, camp is drop off only. Thank you in advance for your understanding. If your child has separation concerns, we encourage you to sign up for Camp and participate with us or you are welcome to choose a separate table and paint your own project as a walk in.
- Please pack a small, non- greasy snack and water bottle for your child
- You will be asked to sign a waiver upon drop off so we have emergency phone numbers on the day of camp as the information given above may be different.

\*\*\* We are SUPER EXCITED to share some creative time with your kids ! \*\*\*

**Please SIGN AND DATE acknowledging that you have read the above and that you agree to the terms of Camp** and drop off, email, fax or mail.
